INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Action: *Rejected*

Name *Lewis St James* and *2* children. Residence: *Thigston, Tenn.*

Reasons:

*It does not appear that applicant or any of his
ancestors were ever enslaved. It does not appear that
they were living within the Cherokee Domain in 1835-6 or 1846
or that they were recognized members of the tribe. It does
appear that they did not live with the Indians and that
they were recognized as white people in the community in
which they lived.*

My name is Louisa A. James: I was born in Fannon
Co., Ga. 1850; I claim my Indian blood through both my father and
mother: my father's name was Samuel Williams; my father was born
in Haywood N. C. 1820: my mother's maiden name was Melinda Bryant,
and she was born in Haywood Co., N. C. : I do not know when my
mother was born: I was only seven months old when she died;
neither I nor any of the ancestors through whom I claim were ever
enrolled that I knew of and never received any money or land;
none of ancestors through whom I claim were ever held as slaves
that I know of: none of my ancestors through whom I claim ever
had an Indian name that I know of and never lived with the Indians
to my best knowledge; my grandfather, George Williams, was a half-
breed Cherokee Indian: I do not know whether he was a member of
the tribe or not: my father told that he was a quarter Cherokee;
none of my people ever went West with the Indians when they left
this part of the country; all the ancestors through whom I claim
were regarded as white people in the community in which they lived,
but were also regarded as being part Cherokee Indian; Charles N.
James, William S. James, Telitha S. Robinson, Mima M. Briggs,
and Parkey M. Briggs are my children.

My mother was not a

myself.

My grand ~~mother~~ on my
mother's side was a full blooded
Cherokee Indian. My mother
had seven children and all are

March 18, 1852. My mother
had two brothers - Benjamin Al-
bright and Alfson Albright

But I do not know what be-
came of them.

that there was a large genera-

Misc.

George Musgrove, being duly sworn, deposes and says:

My name is George Musgrove. I am 75 years old. I have filed an application for myself but do not remember my number. Rebecca Musgrove is my wife and William Musgrove is my son. I claim Cherokee Indian blood. I was born in the Cherokee Nation after they came from Georgia here in Oklahoma. I was enrolled in 1851 and received money about 1851. I was owned by Mr. Musgrove and received freedom at the close of the war. I was enrolled again after the Civil War but do not remember just when, and drew some money. I was enrolled by the Dawes Commission. I was enrolled with the Cherokees and got money. My father was John Baldridge and he was half Cherokee and was owned by Mr. Vann, who brought him from Georgia to Indian Territory to the Saline District. I claim my Indian blood from my father. My mother was colored. My grandmother was named Quillie and grandfather Koltesa. They lived in Saline District in Ground River. They came here about the time the Indians all came here.

I am the husband of Rebecca Musgrove. She claims through her mother. Her name was Dilsy Eaton. Mrs. Eaton owned them. My wife was born in Georgia. I married her while a slave. I cannot trace back any further than her mother.

William Musgrove was born before the war. He gets his Indian blood from both of us.

My wife was enrolled, before the war, and received money. She was enrolled again after the war and also enrolled. She was also enrolled by the Dawes Commission of the Five Civilized Tribes, known as Cherokee Freedman. I do not know her number. My son was enrolled by the Dawes Commission as a Cherokee Freedman. He was also enrolled in the 80's.

Dear Sir : -

Relative to question in yours of March 5th . will answer as follows:

I resided in Dawson County Ga in theyear of 1882,

I was not enrolled because my father had not been enrolled and I did not know how to commence such enrollment,

My father was not enrolled because he was appointed to help carry the Cherokee Indians off and did not like that country and therefore refused to enroll,

My grand parents whom I desire to be enrolled through resided somewhere in State of North Carolina, They was all in North Carolina, as they informed me, that they came from that state,

I d ont know whether my fathers people was held as slaves or not my father was in the Florida War at an early date and I never heard of any of my people being mixed with any other blood except that of the Cherokee Indians

My name is Wm A/ Chadwell, and I live at Erick, Okla. I am 34 years old. I claim my Indian blood through my mother, Susan R. Chadwell nee Bryant. She was 64 or 65 years old at the time of her death 7 years ago. She died at Rush Springs, Okla. In the Chickasaw Nation. My mother was born in Mo. She went to Tex. with her father ~~taxis~~ in 1850, lived there about 30 years, and then went to the Territory. She made an application in 1896, but did not have the fee, and so was not enrolled. She never applied for citizenship. She lived among the Chickasaws for 15 years. And she lived among them as one of them, associating and visiting among them. My mother got her Indian blood through her father, John Bryant. He was born in Ky. He died when I was very small. He died in Tex. He went to Mo. from Ky. He must have been about 70 at the time of his death. He left Ky. when he was a child, and came with his parents to Mo. I do not know in what county in Ky. they lived. My mother claimed to be 1/4 Cherokee, and my grandfather must have been 1/2 Cherokee. They never got any money in 1852. All I know about the Bryants is that some of the family are living and holding lands in the Cherokee Nation. Some of them once wrote to my mother in the Chickasaw Nation to come to the Cherokee Nation and get her lands there. I do not know why my mother came to live among the Chickasaws.

My name is James R. Martin, and I live at Erick, Okla. I am 62 years old. I know Wm A. Chadwell, who has just testified, and his testimony is correct to the best of my knowledge and belief. He is not relation, and I have no interest in any claim he may have against the Government. I knew his mother, and I was well acquainted with John Bryant, his grandfather. He claimed Indian blood, 1/4 and his father 1/2. While I knew him he lived among the whites as a white man. I have heard him say that he was a Cherokee Indian.

LOUTISHIE F. DEEN - #29811.

Applicant claims through James Spears, alleged to have been a Cherokee Indian and enrolled in 1835. There is a James Spears on the roll of 1835 with a total of nine in family, five females and four males.

Applicant claims that she applied to the Dawes Commission in 1896 and refers to a finding of the Master of Chancery to the effect that she is a lineal descendant of James Spears, and that James Spears was a Cherokee Indian by blood. Claim is made that James Spears married a white woman, and at the time of the treaty of 1835 at the instance of his wife, moved to Texas instead of moving with the Indians. Claimant, however, in her application, and her husband in his application for claimant's half brothers, state that they do not know where her parents were born, where they were living in 1851, or where her grandparents were born or where they were living in 1851, and they say they were not enrolled. The names of claimant's parents and grandparents do not appear on the rolls of 1851.

Claimant was notified to appear before one of the assistants to the Special Commissioner, at Hillsboro, Texas, and received said notice, but her husband wrote:

"It being impossible for us to appear before you at Hillsboro, we beg to submit the following. We could offer no testimony except that which we refer to in our application, neither have we any new witnesses. We are relying solely upon the evidence submitted and the finding of the Master in Chancery in Case Style 134 - John Spears et al vs Cherokee Nation".

Claimants live at Corsicana, Texas about thirty-five miles from Hillsboro, Texas, and no sufficient reason is given for their failure to appear before the Assistant Commissioner. Outside of the allegations of the application and the statements in letters unverified, there is nothing to establish the fact that these claimants are in fact the descendants of James Spears, and nothing at all to show that the James Spears who is alleged to have been their ancestor, is the same party who was enrolled with the Eastern Cherokees in 1835. The findings of the Master in Chancery, if they in fact refer to these claimants, are entirely inconclusive, as the decision of the court was not based upon these findings, and the proof was substantially ex parte. As the claimant furnishes no family history as to the places of birth and residence of her ancestors, which would admit of contradiction, and bases her claim solely upon the relationship to an alleged great grandparent, the evidence is insufficient to admit of the enrollment of these claimants.

#29811 & #33120

WASHINGTON, D. C.

October 6, 1908.

W. Q. Deen,
R.F.D. 1, Corsicana, Tex.

Sir:-

Again referring to the application of your wife and your application on behalf of the minor half brothers of your wife, please state why it was impossible for you to appear before my Assistant, Mr. Tylor, at Hillsboro, Tex., also please state where James Speers - the alleged great grandfather of your wife - was living in 1834-5-6, giving specifically the location by the nearest postoffice, ~~or~~ the name of the stream on which he resided in each of those years. Also state specifically the exact year in which he left the East, from what point in the East he started, and to what point he removed, who went with him and was he married at that time. If so, what children, if any, were born at the time of the removal, and give the ages of such children. Did James Speers have any brothers and sisters? If so, give their names.

You are further advised that there is nothing in this case to show that your wife or her brothers had any connection with the proceedings referred to before the Dawes Commission. You are further advised that the findings of the Master in Chancery will not be regarded as in any way conclusive of the claim that your wife

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

and her brothers were in fact of Eastern Cherokee descent, and it will be necessary for you to furnish some proof of these facts, and you are particularly notified that you must furnish full and complete answers to the above questions or these claims will be marked for rejection.

Very respectfully,

Guion Miller,

Special Commissioner.

GM/LJC

Cossicana, Texas, R.F.D No 1, Box 33.

In reply to above, would say, that we were prevented by sickness from appearing before Mr Tylor at Hillstons, Texas.

James Spears was a married man at the time of the removal.

We are not able to answer your other questions specifically and would suffer our cases rejected rather than make a statement that we do not feel justified in making.

We know of no better evidence to offer, than the findings of the Master in Chancery.

We ask only for what is due us, and trust it to your honorable judgment.

Very Truly Yours.

Hon. J. Edward Tylor.

Hillsboro Texas.

Notices concerning applications
No 29811. and 33120. received.

It being impossible for either of
us to appear before you at Hillsboro, We
beg to submit the following.

We could offer no testimony except
that which we referred to in our applica-
tions, neither have we any new witnesses.

We are relying solely upon the evidence
submitted, and the findings of the Master
in Chancery, in a case styled, No 134
John Spears, et. al. vs. The Cherokee Nation.

"This Case was instituted on the 7th
day of Sept. 1896. by filing before the
Commission to the five Civilized Tribes,
The consolidated applications of Mrs.
Loutishie F. Deen. for her self and son
William A Deen. and Mrs Mary J Ellis. for
Ester Ellis and Lafayette Ellis." (together with
many others, not necessary here to mention)

"That the said applications were on the
7th day of November, 1896. by said Commission
denied. No reasons being given for such
decision."

"That on the 2^d day of January 1897.

said appellants appealed this cause to the United States Court, sitting at Muskogee, I. T.

That appellants filed in support of their applications, the affidavits of the following named persons:

(Here naming the persons.)

"That Appellee filed no proof in support of its answer."

After an investigation of the case, the Master in Chancery, Edgar Smith, says:

"Premises Considered."

"I find that these applicants are all lineal and legitimate descendants of James Spears."

"That James Spears was a Cherokee indian by blood."

"That the said James Spears was a member of the Cherokee tribe of indians East of the Mississippi River."

"That these applicants are all Cherokee indians by blood. That said applicants are nonresidents of the Indian Territory."

"That it is not shown that James Spears or any of his descendants through whom these applicants claim, were ever

enrolled as Cherokee Indians since the removal of the Cherokee Nation West to its present location."

"Applicants contend that under the Law governing this case that they, having shown that they are Cherokee Indians by blood and that their ancestor through whom they claim was a member of the tribe of Cherokee Indians East of the Mississippi R. are entitled to be enrolled as Cherokee Indians by blood, and to all the rights, benefits and privileges accruing to Cherokee Indians and members of the tribe." While Appellee contends,

"That it not having been shown that James Spears or any of his descendants, through whom these applicants claim was ever enrolled by the Cherokee Nation since its removal West to its present location, and the appellants are barred from being enrolled as Cherokee Indians by blood at this time."

We notice from the above Report that the Dawes Commission gave no reasons for rejecting our applications.

We also notice that these applications offered as evidence in United States Court

the affidavits of many persons, in proof of their Indian blood. While appellee offered no evidence whatever, but only contended that, "None of these applicants having been enrolled as Cherokee Indians since the removal West to its present location, these applicants are barred at this time".

W^m Springer, Judge of the United States Court Northern District I.T. who having reserved the right to pass upon the legality of the case, rejected these applications. We believe that his denial was founded under a law known as the "Curtis Act," and not under any treaty between the United States and the Cherokee Tribe of Indians, or under any previous law.

We contend and believe that even if it was just to deny us citizenship in the Territory, which we very much doubt, this should not bar us from participating in the distribution of the \$5,000,000.

While we admit that Art. 16, Treaty 1835, stipulates, "That the Cherokees shall remove to their new location within two years," we think this should not affect this case

We vacated the lands ceded to the United States by the Eastern Cherokees in the time prescribed by the Treaty of 1835, and this \$5,000,000 was merely a difference offered by the United States, to induce the Eastern Cherokees to make the exchange.

We would cite you to the previous article of same Treaty, (Art 15 Treaty 1835.) in support of our contentions, which provides that after certain expenses, provided for in the several articles of this Treaty are paid "The balance, whatever the same may be, shall be equally divided between the people belonging to the Cherokee Nation East, according to the Census just completed."

Art 9. Treaty 1846 stipulates that after paying certain sums of money, (here mentioned) "The balance thus found to be due shall be paid over per capita in equal amounts to all those individuals, heads of families or their legal representatives, entitled ^{to receive} same under Treaty of 1835, and the supplement of 1836, being all those Cherokees residing East, at the ~~time~~ date of said Treaty and supplement thereto."

Summary.

We Claim to be Cherokee Indians by blood, and of the tribe East of the Mississippi R. as per the findings of the Master in Chancery Edgar Smith in case No 134 John Spears et. al. vs. Cherokee Nation.

We claim that we are entitled to participate in the distribution of this fund under Art 15 & Treaty 1835 and also under Art 9 & Treaty 1846. as each prescribes in substance that the fund shall be equally divided among those who are entitled to receive same under Treaty of 1835, and supplement thereto.

We believe that the names of James Spears and also of his nine children are to be found on the Rolls of 1835 or subsequent Rolls

1st

The Master in Chancery, would not have concluded us to be Cherokee Indians had they ^{names} not have been there.

2^d

The Appellee would have offered the fact as evidence against us, had they have not been there.

3^d

Our representative who worked this citizenship case up, told us that he saw the names of James Spears and his five girls and

four boys, on The Rolls of The
Cherokee Indians in Indian Territory

We could offer no evidence in person
as The Treaty of 1835 was formulated 19 to 25
years before we were born, and we have got
no other evidence to offer

Our names are not on The final Rolls,
from the fact that our ancestor James
Spears, instead of removing to the new
country, removed to Texas, and was never
associated with the Cherokees afterward.

Now, To The honorable Special Commis-
sioner, Gideon Miller & his Assistants.

We respectfully submit the above, be-
lieving our cause to be just, and feeling
assured that we will receive justice at
The hand of yow honorable body. We are

Mrs Loufighie F Deen, no 29811.

App. #7425.

January 7, 1908.

Francis Marion Whelchel,
Canton, Ga.

Sir:-

Relative to your application #7425 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim Indian blood by reason of your father, the son of Susan Whelchel, nee Buffington, whose father was Thomas Buffington. Neither the name of Thomas Buffington or the name of your mother, Susan Whelchel, appears upon the roll of 1831. Who was the said Thomas Buffington--that is--was he a full-blood Cherokee Indian, or what relationship did he bear to the Cherokee Indians? Where did he reside in 1835, and what were the names of his father and mother? Were they living in 1835? If Thomas Buffington was a Cherokee Indian, why was he not enrolled in 1835 if living at that time, and why was your mother not enrolled in 1831, as you state she was living at that time? As you were born in 1842, you should necessarily be enrolled. The name of Whelchel does not appear upon any roll, as an Eastern or Full blood Cherokee Indian. Please trace carefully from your full-blood ancestor down to yourself, giving the history of your said Indian ancestors to the best of your ability.

Your prompt reply will be appreciated.

Respectfully,

LDD/ALL

Special Commissioner.

Hon. Guion Miller, Special Comr.

In answer to the question propounded by you
which are hereunto attached, I would make the following answers:-

1. Through my grand-mother on my father's side, I am a descendant⁸⁴
ant of the Cherokee tribe.

2. My grandmother's name was Polly or Mary Welch before her marriage to David Mostiller, and my mother's name was Mary and she died when I was but seven years old, and my father died just a few years later, when I was about thirteen years old, hence my opportunity for learning much of my ancestry through my parents was very meager, however I was taken by George Welch who was an own cousin to my father, with whom I lived for two years immediately in his family but lived with him often and on for several years. This same George Welch left Cherokee County in the year 1875 is my best recollection and went to the west, the Indian Territory, is my information, where he entered land by reason of his Indian blood. My People the Welch's lived in the County of Cherokee for many years. George Welch who lived for many years in Cherokee County Georgia, and later died here and who was buried in said county, was the brother of my grandmother and he was also the father of Dave Welch, Lem and George Welch Jr. who left this county and went to the west, Indian territory, as I have been reliably informed, all of whom entered land as being of Indian descent.

3. I am recognized as being a white man in the community in which I live, none of my people were ever held as slaves.

up in a tangle and did not get
it up right and I just wanted
to inform you of the fact
I and the oldest Wilson child
Richard H. Wilson was the one
that got it up right
My grandmother

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,**

App. No. 586

601 OURAY BUILDING,
WASHINGTON, D. C. June 20, 1908.

Honorable Guion Miller,
Chattanooga, Tennessee.

Dear Mr. Miller:

Most of the applications in what is known as the Kirkland group live in Tennessee and a great number of them in Monroe County. After an examination of the cases, I do not think that any of these cases have been taken on the present trip, and, as it is necessary to take testimony before finally passing on these claims, I have selected six applications and send them to you herewith, so that you can take testimony while you are in the neighborhood. They are as follows;

{ # 586, Hattie D. Lane,
18988, Rebecca Roberts,
23721, Becca Linn,
23793, John W. Kirkland,
26491, Rebecca Ledford,
29850, George W. Shaw.

I presume that you intended these claims to go with you this time and that we overlooked them in packing the trunks.

The specific points to be brought out by the testimony in the Kirkland case may be embraced in the answers to the following questions:

1. Why were you, your parents, or your grandparents never enrolled?
2. Were any of your ancestors parties to the treaties of 1835-6 and 1846?

Mr. Miller-- 2.

3. Were any of your ancestors slaves?
4. Where was the ancestor through whom you claim living in 1835 and 1851?

Everything is O. K. here, with nothing in the way of news.

Very respectfully,

Frederick S. Tyler.

Stonewall J. Roberts, being duly sworn and examined, deposes and says:

My name is Stonewall J. Roberts. I am 46 years old and was born in Monroe Co., Tenn. I claim my Indian blood through my mother who was Rebecca Roberts, and Rebecca Kirkland. My mother's ~~mother's~~ mother's name was Epsey Caroline Kirkland. My mother was born in Monroe County, Tenn., in 1837. Her mother claimed Indian blood. Benjamin Kirkland was born either in Burk or Rutherford Co. Eppie Caroline Kirkland was born in what is now Haywood Co., but then known as Buncomb. I knew my grandmother and lived with them until after ~~ix~~ I was 23 years of age. I never heard of my mother or grandparents drawing any money. My mother always lived in Monroe Co., and her parents were living there ~~it~~ in 1851. Her parents came to Tenn. about 1830. My mother married about 1855. I never heard that my mother or grandparents went by any other name than Kirkland. (They were generally known in the community as white people. I never heard of my grandparents living in the nation, although they lived among them at times. My grandparents owned a little property at that time and that was one of the reasons that they would not be enrolled in 1851. I do not remember hearing that any Indians were taken off in 1851. My grandparents lived up here in the upper end of this county in 1835-6. He owned a place here on Cane Creek. I have also heard my grandmother say that her father said he would rather die than be taken off. I never heard of their suddenly leaving this part of the country, and the people around not knowing where they were.

Andrew Kirkland, being duly sworn, deposes and says.

My name is Andrew Kirkland. I was born in Monroe Co. Tenn. I am 57 years old. Stonewall J. Roberts is my nephew. I am a son of Benjamin and Eppie Caroline Kirkland. I knew them well. I knew James Kirkland, my grandfather. I knew John Kirkland, my grandfather on my father's side but never saw him. My mother was born about 1812. My I think my grandmother Eppie C. Kirkland was born in N. C. My father and mother were generally known as white people. I never received any money as an Indian. My father and mother never received any money that I ever heard of. My father and mother were not enrolled because they owned some property up in the mountains and they did not want to leave it. I heard them talk about an enrollment. They did not want to go away and that was the reason they were not enrolled either time. (I never heard of my father and mother leaving suddenly and going away anywhere, so that people did not know where they were. I never heard of their hiding away in the mountains. I know of no reason why an enrolling officer of the United States could not have found them. They were well known people in the county and everybody knew where they lived. My father and I always voted.

In re #18988.

William H. Linn, being duly sworn, deposes and says: I am 77 years old and have lived in Monroe Co., all my life. I knew Benjamin Kirkland and knew his wife. I have known them all my life. They were living here when I first knew them. I understand they came from Buncombe Co., N. C. I have heard them say that Eppie Kirkland and Benjamin Kirland were cousins and it was said their fathers were half Indians. They were John and Jack or James. They lived in Monroe Co. James died in Polk Co. They were both living in 1851, but they were living in 1835 but I did not know them until that time. James Kirkland was an uncle to my father. James Kirkland and my father married sisters on my fathers side. They said they were Cherokees. I heard James Kirkland say that he did not leave the country because he owned a little farm in Monroe County and that he would rather die than leave. It was in 1851 when he was speaking about it. I remember the time of that enrollment in 1851. I do not know of any Indians being carried off in 1851. They knew about the enrollment in 1851 and 1835. I never heard of the Kirklands hiding away in the mountain and they were well known people in the county. I know of no reason why the enrolling agents could not have found them if they had tried. My wife was a Kirkland and my daughter Becca (#23721.) comes through this line.

Dear Sir:-

Replying to your favor of the 1st inst., relative to my application No. 29894. I beg to say that I do not know why none of my ancestors were never enrolled.

My parents and grandparents were all slaves; my father and mother were slaves all of their lives. My grandfather on my father's side was a full-blooded Indian, and my father was born in Texas. My Mother was about one-fourth Indian.

I trust the above additional information will be satisfactory and hope that I will get a share in the distribution of this fund, and would kindly ask that if I do, that you send same as soon as possible.

Thanking you for your kindness, I am,

Holly L. Alexander, being first duly sworn, deposes

My name is Hollie L. Alexander and my post-office address is Lapp, Winston Co., Ia. I was born in Graham Co., N. C. in 1876. I am now in claim for myself and five minor children. I claim and tie this to the Cherokee Indians through my father, John Hillscaps, who was one-eighth Cherokee, and through his mother, Cassie Ann Hillscaps, whose maiden name was Cassie Ann Tucker, who was a quarter Cherokee Indian. My father was born right on the line between Cherokee Co., N. C. and the State of Tennessee; I do not know in which county in Tennessee. My grandmother, Cassie Ann Tucker, was born in Cherokee Co., N. C. My father was born in 1843. ~~My grandmother~~ My grandmother died in 1868, but I cannot state just how old she was at the time of her death. I have often heard that my grandmother's cousin, Dave Tucker, was appointed a chief of the tribe of Cherokee Indians. I have often heard my brother and sister say that when they were child or they used to play with Indian children. My father can talk the Indian language and I can also talk some of the language. My father never was enrolled as an Indian. My father was in the Union Army during the Civil War and is now drawing a pension. He could give me a pension relative to the Union. His last address was Marietta, Ga. To my knowledge none of my people ever received any money from the Government. My sister, Hettie Jones, resides in Union Co., Ga., and her post-office address is Coopers Creek. My father left Graham Co., in 1876. My father gave me a reason for not making application is that is better, that he could not read or write and did not have any education. My father was always recognized as a white man in the community in which he lived. My father resembled an Indian and everybody who ever had noticed the Indian characteristics. If my father or grandfather had ever received any money from the Government I think I would have heard of it.

Jeff F. Abbott,
Union Mills, N. C.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and those of your other ancestors who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or either of your parents ever held as a slave? If so, state whether you were owned by white people or Indians.

How does your mother's maiden name happen to be Scott when her parents' name was Harris?

Kindly furnish this office with a full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.

Chief Clerk.

Sir. My reason for not
 stating why my Parents
 names did not appear
 on the Cherokee Roll in
 1835 and 1851 I do not know.
 My Parents and her I
 either one were never a slave
 by White or Indian.
 It is true Mother was a Scott
 and her Mother was a
 Scott. But my Father/Mother
 was a Harris and if
 understood that ~~that~~ my Mother
 was a Harris. It was a
 mistake in the writer

William Abbott, being first duly sworn, deposes
and says:

My name is William Abbott and I reside at Union Mills, N. C. I was born in Burke Co., N. C. in 1826. I claim relationship to the Cherokee Indians through both my father and my mother. My father's name was Jeff Abbott and he was a half Cherokee Indian, he was born in McDowell Co., N. C. My mother's name was Tildy Abbott and her maiden name was Tildy Harris, and she was a half Cherokee Indian. None of my people or myself were ever owned by white people, we were always free. My father and mother have always told me that they were Indians. I remember the Indians visiting our home when I was a boy. Neither one of them could talk Indian. My grandfather on my mother's side was named William Harris. My grandfather Harris had two brothers, namely, Joseph and Pris. They were all raised in Halifax Co., N. C. and died there. I know of no enrollment of my people as Indians.

It does not appear that any ancestor was a party to the treaties of 1835-36 or 1846 - nor does it appear that any ancestor was ever enrolled. Shows no real connection with the Eastern Cherokee.

Noah P. M. Corn being first duly sworn, deposes and says:
My name is Noah P. M. Corn. I live at Marshall, N.C. I was born in 1845 in Henderson Co., N. C. I claim Indian blood through my mother and her mother. I claim to be connected to the Eastern Cherokees. My grandmother was born and raised with them. My grandfather married my grandmother when she was living with the tribe, and took her to Henderson Co., N.C. to a white settlement. The Indians came there ever year and camped for awhile. I am the youngest of ten children. and I was born in 1845. My grandfather on my mother's side was a white man without any Indian blood. My grandfather when he married my grandmother had a farm where he took her. Henderson Co., N.C. About 25 or 30 miles from the Cherokee country. When he married her he took her away from the tribe and they lived there for quite a while and moved three miles and they lived there and died. She never went back to the tribe after she married him. I never heard of my mother or grandmother getting any money or land from the Govt. on account of their Indian blood. I never got any money or land from the Govt. on acct. of Indian blood. In 1851 my mother and I were living in Henderson Co., N. C. In 1882 I was living in Henderson Co., N. C. My mother died in 1872. She was born 1797. She was not the oldest child. I don't know how old. There were older than she. I think my mother was about next to the youngest one. of a family about seven.
